This is to inform you that for preparation of Annual Work Plan & Budget for RTE-SSA, RMSA & MDM for the year 2017-18, the authenticity of UDISE & Household data is most essential. To verify the inconsistencies and correct the errors in these database submitted by districts, data screening, finalization and indicator analysis will be done at this office from 27/01/2017 to 31/01/2017 with the district Programmers as mentioned below.

After finalization of the database, districts will take the printed UDISE certificate from the software, which they will submit to OPEPA with approval and signature of the DPC, DEO and Collector-cum-Chairperson for acceptance at OPEPA level and submission to Govt. of India.

You are therefore requested to depute your Programmer and Data Entry Operator (UDISE) to this office as per schedule with UDISE data in their laptops for the above purpose. Their TA, DA and logistic support may be borne by your District Project Offices.

Yours faithfully,
